

Every kid is ONE caring adult away from being a success story.

### Meet Olivia...

No one knows about "Olivia's" secret....

Olivia" lives in a neighbourhood that looks like yours and mine. Her Mom and Dad have full time jobs.

"Olivia's" stunning secret?

She is (chronically) hungry.

"Olivia's" Mom & Dad just can't stretch their money to adequately feed "Olivia" and her brother all the time.

### Victoria's (Hidden) Secret

In Victoria hungry kids exist. Every day, kids in your neighbourhood wake up deadly hungry. That visceral, deep hunger that most of us will never experience.

Their hunger is hidden and we don't see or even believe that it is happening across Victoria.

**Because hunger is hidden**, Boys & Girls Club of Greater Victoria feeds **ALL** kids in our programs, **every day**. And that includes our (*hidden*) hungry kids too.

In fact, last year we served over 29,944 healthy breakfasts, meals and snacks to kids in our programs.

### Hunger... If Only Words Could Fix It!

Please **HELP NOW** by giving to our **Feeding Kids, Helping Families initiative**.

Our goal is to raise **\$30,000** by December 31, 2017.

This will provide **12,500** healthy breakfasts, meals & snacks to children in our programs.

For some of these kids, it will be the only nutritious food they eat each day.

#### Why Donate Now?

Our good friends at

**Sayward Hill and Aragon Properties**

are partnering to offer their help by generously matching your donation, dollar for dollar, up to \$12,000.

### Be A Hunger Hero!

Won't you please **give generously and be a Hunger Hero to a child like Olivia?**

\$20/month = 100 healthy meals and snacks

\$1,000 = 417 healthy meals and snacks

To Donate:

\$2,500 = 1042 healthy meals and snacks

\$ \_\_\_\_\_ = Hunger Hero amount of your choice
