INDEPENDENT AUDITORS' REPORT

To the Members of Boys & Girls Clubs of Greater Victoria Foundation

Report on the Financial Statements

We have audited the accompanying financial statements of Boys & Girls Clubs of Greater Victoria Foundation, which comprise the statement of financial position as at March 31, 2017, the statements of operations and changes in fund balances and cash flows for the 14 month period then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many charitable organizations, Boys & Girls Clubs of Greater Victoria Foundation derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of Boys & Girls Clubs of Greater Victoria Foundation. Therefore, we were not able to determine whether, as at March 31, 2017 and January 31, 2016 and for the 14 months ended March 31, 2017 and 12 months ended January 31, 2016, any adjustments might be necessary to donations revenue and excess of revenues over expenses reported in the statements of operations and changes in fund balances, excess of revenues over expenses reported in the statements of cash flows and current assets and unrestricted fund balances reported in the statements of financial position. This caused us to qualify our audit opinion on the financial statements as at and for the year ended January 31, 2016.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Boys & Girls Clubs of Greater Victoria Foundation as at March 31, 2017, and its results of operations and its cash flows for the 14 month period then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Report on Other Legal and Regulatory Requirements

As required by the Societies Act (British Columbia), we report that, in our opinion, the accounting principles in the Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

BOYS & GIRLS CLUBS OF GREATER VICTORIA FOUNDATION

Notes to Financial Statements

14 month period ended March 31, 2017

The Boys & Girls Clubs of Greater Victoria Foundation (the “Foundation”) is incorporated under the Society Act (British Columbia) and is a registered charity. On November 28, 2016, the new Societies Act (British Columbia) became effective. The Society has until November 28, 2018 to transition to the new act. The Foundation is dedicated to enhancing the quality of life in our community through the establishment and stewardship of endowment, capital and operating funds and the distribution of those funds in support of the aims and interests of Boys & Girls Club Services of Greater Victoria (“Club Services”) and other institutions, groups or persons relating to youth.

1. Significant accounting policies:

In 2016, the Foundation changed its fiscal year end from January 31 to March 31 in order to better align its financial reporting with the timing of Boys & Girls Club Services of Greater Victoria. During this transitional period, a fourteen-month fiscal period from February 1, 2016 to March 31, 2017 is reported with a twelve-month period from February 1, 2015 to January 31, 2016. The financial statements reflect revenue earned from February 1, 2016 to March 31, 2017, and related expenses made over the fourteen-month period.

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

(a) Fund accounting:

The Operating Fund reports the assets, liabilities, revenues and expenses related to non-capital fundraising and administrative activities.

The Capital Fund reports assets, liabilities, revenues and expenses related to property and equipment and amounts held for future repairs, improvements or purchases of property and equipment.

The Endowment Funds report on externally restricted contributions received from donors and related investments purchased which must be retained in perpetuity.

(b) Contributed materials and services:

Donated materials and services are recognized in the financial statements when a fair value can be reasonably established, when the materials and services are used in the normal course of operations and would otherwise have been purchased.

A number of people donate time and expertise to the Foundation across its operations. As no objective basis exists to record and assign fair values to such contributions the value of this time has not been reflected in these financial statements.

(c) Revenue recognition:

The Foundation follows the restricted fund method of accounting.

Unrestricted contributions are recognized as revenue of the Operating Fund when received or when receivable.

BOYS & GIRLS CLUBS OF GREATER VICTORIA FOUNDATION

Notes to Financial Statements

14 month period ended March 31, 2017

1. Significant accounting policies (continued):

(c) Revenue recognition (continued):

Restricted contributions to the Operating Fund are recognized as revenue in the year in which the related expenses are incurred.

Contributions to restricted funds are recognized as revenue of the appropriate restricted fund when received or when receivable.

Pledges are commitments to give specific dollar amounts within specified periods of time. Pledges are recorded as revenue when payments are received.

Investment income that is not restricted is recognized as revenue of the Operating Fund when it is earned. Income earned on endowment investments is recognized as revenue of the Operating Fund when it is earned. Other investment income that is restricted is recognized as revenue of the appropriate fund when it is earned.

Investment income, recorded on the accrual basis, includes interest, dividends and net gain (loss) on investments, including holding gains (losses).

Contributions of property and equipment are recognized only when fair value as at the date of contribution can be reasonably estimated, the property is to be used in the normal course of operations and would otherwise have been purchased.

(d) Financial instruments:

Financial instruments (financial assets and financial liabilities) are recorded at fair value on initial recognition. Investments that are quoted in an active market are subsequently measured at fair value and all changes in the fair value are recognized in net income in the period incurred. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Foundation has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Foundation determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Foundation expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

Notes to Financial Statements

14 month period ended March 31, 2017

1. Significant accounting policies (continued):

(e) Property and equipment:

Purchased property and equipment is recorded at cost. Contributed property and equipment is recorded at fair value at the date of contribution if the fair value at the date of contribution can be reasonably determined. Amortization is computed using the declining balance method at the following rates calculated to amortize the cost of the assets over their estimated useful lives.

Assets	Rate
Buildings	4%
Parking lot	8%
Office equipment	20%

(f) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ.

2. Investments:
