

Boys & Girls Club
of Greater Victoria

Hello Boys & Girls Club Families,

As you know, we have been working out the details on how to proceed with Spring Break camp in relation to the COVID-19 pandemic. With the ongoing recommendations from the Provincial Health Officer and the Health Minister, and with the rising cases of the virus in BC, we have decided that we can no longer operate our Spring Break Camp while ensuring safe social distancing and minimizing risks to our staff and families. Therefore, we have made the difficult decision to close the second week of Spring Break Camp for all locations that were scheduled to commence on Monday, March 23, 2020. This includes Harbourside, Westshore, and Metchosin Clubs.

Please note that you will receive a refund for all Spring Break Camp days that were cancelled or for which your child was absent. Refunds will be processed after the Spring Break Camp dates have concluded to give our Finance department the time to reconcile your accounts. Club Supervisors have already submitted to our Finance Department, the dates your child/children were not in attendance. As we are receiving an overwhelming number of emails at this time, we are kindly asking that you not email requests for refunds, as responding to emails takes away from our Finance staff being able to work on processing the refunds..

As we receive more direction from the Provincial Health Officer and the Health Minister, we will update you about the status of our programs moving forward, as soon as we are able to do so. We anticipate that we will be back in touch with you by March 26, 2020.

We regret the inconvenience to you and your family for this health and safety focussed decision. We want to assure you that we are doing everything we can to keep all of our families, children and staff safe and healthy for the short-term and the long term.

Sincerely,
