of Greater Victoria

April 27, 2021

Dear Parents:

Please be assured that our Outdoor Adventure Summer Camp 2021 programming will go ahead as planned at our Metchosin Club. We look forward to another amazing summer camp season!

---

April 16, 2021

Thank you to all parents and children interested in our summer camps this year. This is the time of year when there are lots of choices offered in our community. We know that you have many decisions to make about your summer plans and that it is still early in your decision-making process. In order to be accessible and flexible for all families, we are delaying as long as possible a non-refundable registration deadline.

As families make their decisions during this recovery phase of the pandemic, and as we get closer to the summer camp season, we know that some of your current summer camp bookings may change. This will result in a shift in our summer camp inventories and create new registration openings that may not currently be available. We are taking an inventory of interest (waitlists) for our sold out camps and will begin contacting families as new availability opens up.

During the pandemic, many community summer camps have had to reduce the number of spaces available, while increasing the cost. Many summer camps that have traditionally been offered in the community may not be operating this summer, as a result of constraints caused by the pandemic. BGCVIC is pleased to be able to maintain the costs and available spaces equivalent to last year's summer camps.

We are working hard through this pandemic recovery to meet the ever-increasing needs of children, youth, and families in our community and we thank you for your patience and understanding as we continue to develop, manage, and communicate our summer camp programming and inventory availability.
